

GVAHA HOCKEY

GVAHA Financial Assistance and Scholarship Program

The goal of GVAHA is to provide the opportunity for all children who want to play hockey to be given the opportunity to play. The Association understands that hockey is a large financial commitment and that some family budgets cannot cover the cost of their child playing hockey. This will be a new program for Grand Valley Amateur Hockey Association. We are hoping to grow this program with association-wide fundraisers.

To apply for the scholarship please fill out the following application and return it to the Georgetown Ice Center, placed in a sealed envelope in the Treasurer's mailbox.

All applications will be reviewed by the Grand Valley Amateur Hockey Association Board and scholarships will be given based strictly on financial need.
